Report of the "Orphanage Support Team of AICM"...

Group of students that receive scholarships...

The financial report for the month of May... The "**Orphanage Support Team**" has collected exactly **\$2,009.00** during the month of May, which makes a total to date of **\$29,329.50** for the past 12 months. It's hard to believe that we have been doing this for one whole year. I want to thank all of you for your continued financial support for these children. It is truly a blessing to be a part of this ministry.

We began the "**Orphanage Support Team**" one year ago this month and truly feel that it's a time of celebration for all the accomplishments that have taken place during this past year. Who can believe that a small group of people can get together to feed and support 400 to 500 orphaned children. It's unheard of what this group has done during this past year. We would like to thank all those members that responded to our call of financial support during this past year. We recall that during the first couple of months, May & June of last year, we were asking members to be involved financially for only one year. We are very proud of those members that met that calling of one year of service. God bless you and yours for your commitment to the "**Orphanage Support Team**" during this past year.

Liberia is still a country in turmoil and we feel we are still called to feed and care for as many children as our funds will permit. We will continue to fill a void that exist in Liberia to help take care of as many children as possible. We ask that you continue your involvement with the "**Orphanage Support Team**".

If you have not sent your June contribution please do so as soon as possible. *Also, please try to get others to join us...* The "**Orphanage Support Team**" is feeding and caring for children. Please mail your contribution to:

In the memo portion of your check or on the envelope please write: **Orphanage Liberia**

The photo at the top of this page is the group of students that are being supported by our scholarship program. These kids would not be in school getting an education if it were not for the "**Orphanage Support Team**".

Thank you so very much for your support and God bless you all...
