Dear Christian Friends:

Thanks for your partnership with this Mission. We are grateful to God for your prayers and financial support in 2009. Because of your partnership, the Lord continues to sustain his work here at AICM through your faithfulness in this tight economy.

In order to meet our budget this year, we're seeking your prayers and continual support. We believe with all our hearts that you love this ministry. This is why you have been supporting us faithfully over the years.

Your continual prayers this year will enable us to:

- Provide food and other staple of life in the three orphanages that we operate in Liberia, West Africa;
- Increase support to our "Child Sponsorship Program", which caters to orphaned children living with their extended families;
- Train more Christian workers under the "Ministerial Training Program;
- Take on support of more indigenous Missionaries/Pastors to evangelize their homeland;
- Provide scholarship to deserving students at our Christian High School in Monrovia, and
- Support the Community Outreach of Boynton Beach in feeding the elderly, homeless, families, etc.

Attached is your Tax-deductible receipt for 2009, and thanks for your partnership.

Your partner in Christ,

R. Zarwulugbo Liberty, Pastor
President, AICM Ministries
